

Really Trivial Betar Pursuit

The Spouse Edition

Introduction

If you're married to a Betarnik you would have heard the "old stories" so many times that you actually "believe" you were there. At the "re-telling sessions" you start to put in bits that someone has forgotten.

Suddenly you find yourself wanting to give the "true" version of what "really" happened.

This quiz is dedicated to all those who weren't there!
